Filing Description:

We respectfully submit the proposed group dental form for your approval. This is a new form and is not intended to replace any forms previously filed with the Department.

This amendment will be used to amend the previously approved dental policy form number DPOL.06 which was approved by your office on February 5, 2007.

Although Federal Health Care Reform does not apply to group stand alone dental coverage, we are revising the Dependent Definition to create the ability to match medical coverage and cover dependents until age 26. This will also

allow coverage of dependents past the age of 26, if a group would want that option. The definition would comply with any state mandated dependent requirements.

This amendment also creates an optional Late Enrollee provision.

These materials represent final printed format (with the exception of variable text). Once approved, this form will be used to support the issuance of our portfolio of group dental products offered in your state.

Certain provisions have been [bracketed] to indicate they are variable and other provisions have been {bracketed} to indicate they are variable by omission. You have our assurance that only variable areas will be changed and or omitted.

The names of the company officers are also [bracketed]. We request your approval of the signatures on a variable basis in the event that another officer assumes responsibility for signing our forms. If this change occurs we will notify you, but will not need to re-file the forms.
